Provision of dustless surface for
roads in built up areas - Mangalore
Municipality - Sanction requested.

Ref:- Govt. Memo No.49712/53 (L.A.)
dated 23-10-53.

******

As per the programme sanctioned in G.O.No1622 L.A., dated 2-8-1949, two roads have to be taken up form execution in 1952-53 for which an application for grant has already been submitted in this office ref.No.C5/15702/51 dated 27-8-1951. The Government was pleased to sanction grants for works in some of the municiplities of the State in G.O.No1880 L.A., dated 22-9-52, in which no provision has been made for this municiplity for 1952-53.

Mangaladevi road and Jeppu Seminary Road are the two important roads in the town subjected to heavy vehicular traffic and they require early improvements. The Govt. in memo.No.46129/52 2 F, dated 28-1-53, have permitted the Council to execute the work of providing dustless surface for these two roads, meeting the expenditure from its own funds in the first instance accordingly the council has taken up the works for execution and the sub grade works are in progress.

The estimates in respect of the two roads in question have already been technically sanctioned by the superintending Engineer, (Highways) and the council has paid necessary centage charges of Rs. 1,594/- for the same. I enclose herewith the application for grant in the prescribed form as advised in Govt.Memo.No.30471/52 - 2F dated 27-8-52. And I request that early orders may kindly be passed sanctioning the half grant for the work.
